Directions: This is a test. The questions are numbered from 1-10. Your time on this test is very important and you are to complete the test in as short of time as possible. Your score will be compared to others completing this lesson. Do exactly what each question asks you to do. You can write your answers directly on this sheet. Now, start and do questions one and ten. When you are finished, turn your paper over.

1. Write your name – first, middle, and last.
2. Add 89763 and 72868.
3. Subtract 94382 from 994382.
4. Write the name of your favorite animal using a different color than you used in question #1.
5. Go to your favorite web site and write down its address.
6. Write out the headline from today’s local newspaper.
7. Write the last five letters of the alphabet.
8. Write these sentences: “I am almost finished. I can follow directions.”
9. Multiply 839 by 768.
10. Write your home address backwards.

SMILE! YOU HAVE COMPLETED THE TEST. NOW GO ON TO PAGE TWO.
Check your test answers and be sure you followed the directions exactly. Here are the answers to earn a perfect score:

1. Your first, middle, and last name
10. Your backwards address
