Mold Mini-Course
Evaluation

I live:
USA State: 
Country other than USA: 

I am (please check all that apply):
☐ a homeowner ☐ may buy a home in the near future
☐ currently looking to buy a home ☐ do not plan to buy a home
☐ other 

I (please check all that apply):
☐ currently have a mold problem ☐ am not sure if I have a mold problem
☐ have had a mold problem ☐ do not have a mold problem
☐ other 

This course provided new information.
☐ strongly agree ☐ agree ☐ disagree ☐ strongly disagree

This course met my expectations.
☐ strongly agree ☐ agree ☐ disagree ☐ strongly disagree

The information I found most interesting/least interesting was:

One thing I will do differently as a result of this course:
I plan to use the following in the future (please check all that apply):

- conduct a home survey to check for mold
- follow steps recommended to remove mold
- follow steps recommended for preventing mold growth
- other

The operating system I used to view this course was (please check all that apply):

- Win 95
- Win 98
- Win Me
- Win NT
- Win 2000/XP
- Win 3.1
- IBM AIX
- other

The Internet connection I used was:

- 28K
- 56K
- LAN DSL/Cable (high speed)

The most effective media used in this course for me was (please rank in order):

- text
- audio
- video
- animation
- other

Navigation through the Mold Mini-Course was:

- Very Easy
- Somewhat Easy
- Neither
- Somewhat Hard
- Very Hard

The graphics and appearance of this site are:

- Excellent
- Very Good
- Good
- Fair
- Poor

I would recommend this course to others.

- Absolutely
- Possibly
- Unlikely
I have the following suggestions for improving this course (in terms of content, links, delivery, media, length, etc.):

Other indoor air quality topics I would be interested in learning more about would be:
